

## **Notion Music and IK Multimedia Announce Versatile Composition and Scoring Tool - NOTION SLE for Miroslav Philharmonik**

*NOTION Music has released NOTION SLE Miroslav Philharmonik, a special version the award-winning NOTION3 scoring software that is customized for use with the award-winning Miroslav Philharmonik orchestral library by IK Multimedia.*

Greensboro ([PRWEB](#)) April 30, 2010 -- NOTION Music has released NOTION SLE Miroslav Philharmonik, a special version the award-winning NOTION3 scoring software that is customized for use with the award-winning Miroslav Philharmonik orchestral library by IK Multimedia.

NOTION SLE Miroslav Philharmonik features instrumentation and articulation presets that automatically handle all articulation changes in the background, allowing for very realistic playback directly out of the score. Artists and Composers no longer need to spend hours programming presets, templates and articulation changes -- they can now simply focus on creating compositions.

As you write and articulate your score, NOTION SLE will follow your instructions and automatically change to the appropriate Miroslav Philharmonik articulation patch during playback to accurately and realistically perform your score. Additionally, you can take full advantage of NOTION's live performance features and conduct the full orchestra with an unmatched level of control.

Also included is a 32 stereo channel virtual full mixing console that facilitates mixdown of the score, eliminating the need for an additional DAW. Full export controls are included for producing MusicXML, audio and MIDI.

Notion SLE Miroslav Philharmonik Retails for \$89US/€69 and is available now for purchase from IK Multimedia and NOTION Music.
